Great Race Team Categories

Awards will be made to the top 20 per cent of the teams in each category. The average (whole number) of all team members' ages on race day determines the age group. For example, a 4 person team of three women and one man, ages 40, 40, 40 and 39 have an average of 39.75. That team would be in the Mixed (3 to 1 sex ratio) under 40 category (not 40 & up).
