Great Race Team Categories

Awards will be made to the top 3 teams in each category. The average (whole number) of all team members' ages on race day determines the age group. For example, a 4 person team of three women and one man, ages 40, 40, 40 and 39 have an average of 39.75. That team would be in the Mixed 18-39 category (not 40-59).
